A MESSAGE FROM

For 90 years Lotterywest has supported millions of Western Australians with more than \$6.3 billion in grants, all thanks to WA players and the almost 500 small businesses who sell lottery games. Lotterywest aspires to create a connected community through the arts and culture, by supporting initiatives and events like Perth Symphony Orchestra's Green Shoots Program and *Narrogin Hay Bales Concert*. The program creates lasting benefits for the Narrogin community, connecting people through participatory music culture and local performances. Lotterywest is proud to support the Green Shoots *Narrogin Hay Bales Concert*, celebrating cultural heritage and fostering an enduring arts legacy.

A MESSAGE FROM PERTH SYMPHONY

PRINCIPAL PARTNER

Green Shoots, a ground-breaking initiative, joyously unites local individuals through community music groups led by Perth Symphony Orchestra's acclaimed musicians. The program's core goal was to establish a sustainable culture of participatory music and elevate regional community capabilities. By providing professional training and harnessing local talent, we have sought to instill a profound sense of community pride. By offering opportunities for transformative musical connections, we have sought to enhance community cohesion. This is what is possible with investment in the arts!

This performance represents the culmination of a year-long program involving the entire community in volunteering, logistics and performance. We are so thrilled to have you join us.

Supporting cultural events like the *Narrogin Hay Bales Concert* aligns with our commitment to fostering communities, and contributing to the events and people that make our regions unique.

Our partnership with the Perth Symphony Orchestra is our first since we moved into the area and we look forward to being a part of it and hope to see more like it in Narrogin and our surrounds.

At McIntosh & Son it's not just about machinery; it's about cultivating a shared connection to community.

So we'll just invite you to support Arts Narrogin and increase the odds of more entertainment and cultural opportunities landing in and around Narrogin.
