PRESENTED BY PERTH SYMPHONY**

**CONTESTANT:
ERIN HAULTAIN**

Since 2021, Erin has been pursuing saxophone performance at the University of Western Australia, where she was awarded the prestigious Helen Iddison Rural Music Student's Grant in support of her studies. She is currently completing her Bachelor of Music (Hons.) under the guidance of Dr. Erin Royer, who has been her mentor since she began at the university.

Throughout her time at UWA, Erin has seized numerous performance opportunities. A highlight of 2024 was her participation in the WASO Creative Development Group, where she collaborated with select students from UWA. In the same year, she was also awarded the Wesley Music Scholarship, which enabled her to perform regularly at Wesley Uniting Church.

For Erin, the true value of music lies in its ability to foster collaboration and contribute to the community. She is passionate about bringing people together through music and creating lasting memories.
