

**CITY OF JOONDALUP  
'YOUNG MUSICIAN OF THE YEAR AWARD'  
PRESENTED BY PERTH SYMPHONY**

**CONTESTANT:  
LEVI YEO**

Levi's musical journey began at the age of 4 when he would sit at the piano, effortlessly reproducing melodies after hearing them just once. At 6, he formally began his piano studies at Yoon Sen Lee Music School.

By the age of 9, Levi had completed his AMus, and last year, he achieved his LMus. He is currently preparing for his FMus under the guidance of Raymond Yong. Levi has won numerous first prizes in competitions and aspires to become a concert pianist.

He holds a deep appreciation for the works of Bach, Beethoven, Chopin, and Liszt.

For Levi, music is a language that conveys what words sometimes cannot. His world is constantly filled with music as he enjoys composing new pieces and exploring different genres.

Levi regularly plays for church services, school events, and aged care homes, and he also accompanies his sister, a violinist, on the piano. In the future, Levi dreams of opening his own music school to share his passion with others.
